*Hardly had we discovered the mysteries of the sea depths and the virgin nature of the Black Sea biosphere reserve when we opened an inexhaustible source of salubrious energy needed for our constant progress.*

*Dear Sirs/Madams,*

*Amidst routine turmoil and inexorable time course we strive for progression and forget about our healthcare priorities.*

*Our enterprise employs the unique technologies upon production of a new and nonpareil product under the Trade mark "Sea Power" (Sila Moria), the sea salt mixture "Power of the Sea". We can enjoy salubrious energy of the world ocean regardless of season and weather.*

### ***Commercial offer***

*If you are interested in our product, feel free to contact us and our experts will reply to all your questions and invite you to cooperation.*

***SEA POWER is natural energy within 12 months !***

*Alina –A Company is patentee of a production method of the Trade mark "Sea Power" (Sila Moria) products.*

*Sincerely,  
General Director*
